The official version of the Project Development Procedures Manual (PDPM) is the electronic version found on Caltrans Division of Design Website:

<http://www.dot.ca.gov/hq/oppd/pdpm/pdpmn.htm>.

The above list of appendices contained outdated or irrelevant information that no longer supported current funding programs and business practices. The four listed appendices have been deleted. Note that the Damage Assessment Form (DAF) and the bridge site data submittal are still being used and can be found as follows:

Damage Assessment Form (DAF): <http://onramp.dot.ca.gov/hq/maint/orway/ha23/index.htm>

Information on the bridge site data submittal: <http://www.dot.ca.gov/hq/esc/pi/>

Some of the references found in the PDPM have hyperlinks that connect to Caltrans intranet pages which are not displayable to the general public. Until such time that the specific reference becomes available on the internet, the user will have to contact their district liaison, Caltrans project manager, or the appropriate Headquarters division to inquire about the availability of the reference.

PDPM subscribers are encouraged to use the most recent manual version available on-line at the above website. Should a subscriber choose to maintain a paper copy of the manual, the subscriber is responsible for keeping their paper copy up to date and current.
